

Microphone

TS-304DM

Specification:

| | |
|----------------------------|--|
| Model | TS-304DM |
| Transduction method | Condenser microphone |
| Microphone pole | Four microphone poles |
| Frequency response | 50Hz-18kHz |
| Directivity | Supercardioid pattern |
| Output impedance | 1200Ω Balanced |
| Sensitivity | -35dB |
| THD | 1% |
| SNR | 65dB |
| Microphone length | 220mm |
| Base size | 290×150×28mm |
| Power voltage | 48V Phantom power |
| Net weight | 5.1kg |
| Others | Iron base, anti-mobile phone, electromagnetic, high frequency interference |
